

Minutes of the meeting on 'Measures to be taken in Prevention of Ebola virus at Chittagong Port' held at berthing room of Chittagong Port Authority on 27.8.2014 at 10.00 am presided by Director (Traffic). CPA.

In attendance:-Copy attached.

1. Director (Traffic) CPA in his inaugural speech welcomed everybody & thanked them for their presence in the valued meeting. He also expressed his deep concern on the threat of spreading affect of Ebola Virus and drew the attention of the presence for taking concrete measures in this regard. He then requested Dr. Sarwar Ahmed, (S r . Medical Officer & Team Leader, "Ebola virus Prevention Team" of CPA to address the matter elaborately in the meeting.
2. Dr. Sarwar Ahmed, Sr. Medical Officer & Team Leader "Ebola virus Prevention Team" constituted by CPA presented to the gathering about the origin, geographical distribution of Ebola Virus affected countries and mode of spread of the virus. He also said about the signs & symptoms of the disease and how to treat the sufferers. He also talked in details about the preventive measures to be taken by the stake holders. He also read out an article printed in the national newspapers by W.H.O about Ebola Virus.

Typical signs and symptoms of infection are:

Sudden onset of fever, intense weakness, muscle pain, headache and sore throat are typical signs & symptoms.

The following treatment should be started immediately:

Severely ill patients require intensive supporting care. They are frequently dehydrated and need intravenous fluids or oral rehydration with solutions that contain electrolytes. Finally immediate steps need to be taken to transfer the patient to the designated hospital.

3. Capt. Nazmul Alam, Dy. Conservator of CPA asked all the concern Shipping Agents to follow the guide lines strictly for all vessels at the time of entering into Chittagong Port. He said that the identification of last port of call & health clearance for any vessels is mandatory which must be informed from Master to Agent & Agent to Custom, Immigration along with CPA Radio Control. After getting the health clearance from Custom &

Immigration the crew will be allowed to pass. The regular operational work of the vessels will start after getting health clearance from the Master on board.

4. Mr. H.M. Kabir, Asstt. Commissioner of Custom House Ctg. has asked all the Shipping Agents to give proper instructions to their labor to make them aware of the facts.

5. Mr. Mamunur Rashid, Director BSAA asked CPA to provide necessary medical assistance including Doctors, Paramedics, Ambulance & virus protective dress.

6. After elaborate discussion chairperson of the meeting Director (Traffic) CPA & along with Dr. Sarwar Ahmed, (Sr. Medical Officer & team leader for CPA Ebola Virus Prevention Team). declared the following preventive measures taken by CPA :-

- a) Master on board will submit health clearance through agent to CPA & Customs before the arrival of any vessel within the port limit. No vessels will be allowed to enter in Port limit without the declaration for the same.
- b) Chittagong Port Authority has already formed a team to face the situation as follows:-
 - i) Dr. Sarwar Ahmed, (Sr. Medical Officer & Team leader for CPA Ebola Virus Prevention Team.) MoNo 01817706469.
