

Dear Sirs,

We are pleased to announce that despite of global financial turmoil and political problems YOUR Club is going to end its third policy year with satisfactory results, which of course could not be achieved without your support.

Thanks to all!

Now in order to make the final risk assessments for the policy year 2014-2015, we would appreciate if you could confirm your intention for renewal and provide us with full details of the vessels to be covered.

The following link (KPI Application Form) will guide you to the information required by our risk and underwriting teams to determine the rates and offer tailor made cover for each and every member:
