

KPI General Circular to Members GC-01-2014
Mid February 2014
(Club's Possible Cover For Liabilities Under MLC-2006)

This circular is intended to promulgate the information concerning the Kish P and I Club's possible cover for owners' & ship-managers' liabilities under MLC-2006.

Now, the Club Managers announce that:

Based on the conditions that the owners fulfill their obligation to manage their vessels according to the requirements of the Maritime Labour Convention 2006 & stipulations derived thereof, AND that, they have entered into *approved forms of employment contracts* existent as per relevant national rules and regulations, the Club may process Members/Assureds application to obtain additional P&I cover for their liabilities under MLC 2006.

Therefore, the Members/Assureds who intend to obtain Club cover for their liabilities under MLC 2006 may submit an application to the Club supplemented with an approved form of Seafarers Employment Agreement (SEA). Needful to mention that the SEA should be in accordance with the requirements of the MLC 2006, and inevitably contain any possible provision & prerequisite for limitation of liabilities of the owner/manager who has signed the contract with the seafarers. Such limitations may then be applicable to the Kish P and I Club liabilities.

After receipt and assessment of the application for MLC cover, the Club Managers may request an additional premium to be paid by the Members/Assureds before endorsing the Certificates of Entry for this cover.
