

KPI Information Update IU-79-2015
(Updated & Revised Guidelines for Rescue at Sea)

The updated and revised Rescue at Sea:

A guide to principles and practice as applied to refugees and migrants is now available.

It has been prepared jointly by the International Maritime Organization (IMO), the International Chamber of Shipping (ICS), and the Office of the

United Nations High Commissioner for Refugees (UNHCR).

It provides guidance on relevant legal provisions & practical procedures to ensure the prompt disembarkation of rescued persons, and on measures to meet their specific needs, particularly in the case of refugees and asylum-seekers.

The revised guide is attached to this message. You may also download it via following link in KISH P & I web-site, safety and security section:
